

Introduction to Risk Management

Course Information

Introduction:

This one day workshop is intended to introduce organisations to an effective framework for taking informed decisions about the risks that affect their performance objectives across all organisational activities, whether these be strategic, programme, project or operational.

This workshop is based upon the Office of Government Commerce (OGC) best practice methodology M_o_R® (Management of Risk) and integrates with other parts of the OGC Best Practice Guidance portfolio including PRINCE2® and MSP® whilst respecting the roles, responsibilities, and terminologies used outside the disciplines of programme and project management.

Who should attend:

Managers new to formal risk management methods, and senior managers considering introduction of M_o_R to their organisations

Course Duration:

1 day

Course Fees:

£395:00 + VAT
